

HOT BOX

One Bad ASSE Box.

 **ASSE 1060 Certified**

With a -30 degree ASSE certified freeze rating, a *DURA FOLD*[®] enclosure can't be beat for protecting your pipes, pumps and valves. In fact, not every competitor even has this industry rating. The killer construction of *DURA FOLD* kicks butt in the fight against vandalism too. So why settle for a wimpy enclosure when you can rely on *HOT BOX*, the toughest, best made enclosures in the industry for over 22 years. Talk to our sales and engineering specialists today to see which design best meets your climate and security needs.

DURA FOLD
The Engineered Enclosure[®]

Affiliated companies of CDR Systems Group: HotBox[®], Comcore[™] & AEGIS.
