

# Sure You Can Buy More Powerful Valve Protection.

*(But Ours Don't Take Coffee Breaks.)*

At Hot Box<sup>®</sup>, we'd be the first to admit that there's more than one way to keep vandals away from your above-ground water equipment. But few are as hard-working and cost-effective as ours. Since 1986, our VALVE GUARD fiberglass enclosure has helped thousands of companies secure their pumps, meters and backflow assemblies 24/7. Best of all, it hasn't charged

overtime, taken a break or asked for a raise. To learn

more call **800.736.0238**. Visit us at [hot-box.com](http://hot-box.com), or e-mail us at

[sales@hot-box.com](mailto:sales@hot-box.com). And discover how we make it easy to protect your equipment – and difficult for the people who want to get their hands on it.
