

Out of Sight... Out of Mind.

VALVE GUARD
The Engineered Enclosure®
a division of CDR Systems Corp.

The VALVE GUARD® line of uninsulated fiberglass and polyethylene enclosures provides aesthetic value and security to your piping design. These ASSE 1060 certified enclosures provide an attractive alternative to the cage. With drop over units, flip top access and artificial rocks, VALVE GUARD is the designer's choice to cover valve, pumps, meters and backflows.
